

As a loyal listener to K-Love radio station in Elgin, IL I am very concerned about the possibility of K-Love being displaced by an LPFM broadcaster providing other programming. K-Love serves an invaluable service to all communities that it serves. I work at a Biblical Counseling Center and play K-Love for the counselees as they wait. Since I have started doing so I have gotten many complements on the atmosphere that playing K-Love creates. K-love provides music that is calming and God-centered. Sometimes a counselee comes in upset and upon hearing the music calms down and sometimes even smiles. Other stations in the area that are "Christian" in nature have incessant commercials and others are mostly talk. Without K-Love I would go back to listening only to CD's. Very few radio stations can claim that they change the lives and attitudes of their listeners but K-Love can claim that because they do.
